

AJUSA

[*ahh-hoo-suh*]

FUNNY NAME. SERIOUS COVERAGE.

AJUSA is a leading international manufacturer of high-quality automotive gaskets/sets, head bolt sets, and hydraulic lifters. Manufactured in Spain, AJUSA offers the world's largest range of European and Asian applications.

HYDRAULIC LIFTERS

Hydraulic lifters ensure the correct amount of clearance in the valve train of an engine so that it remains quiet and operates correctly. AJUSA hydraulic lifters are all designed to OE specifications and shipped in plastic trays that keep each lifter isolated, oiled, and protected until they are ready to be installed.

- **Packaged in plastic trays that keep each part isolated, protected, and oiled (when required) until they are ready to be installed**
- **Individually pre-packed in "break off" packaging and sold in sets of 8**
- **First to market on MINI rocker arms with lifter**
